

Lent

THE LOVE THAT CHANGED EVERYTHING

God shows his love for us in that while we were still sinners, Christ died for us. (Romans 5:8-10)

Students Enjoy Fit Kids' Workouts

Gym class takes on a different way for students to get some exercise. The students seem to enjoy working out while jumping around. Although some want to get right back to competitive sports and games.

Volleyball Practice to Begin Monday

It's time to do some bumping and spiking as our young team begins to prepare for the volleyball season. The practices will be in our gym from 3:15-4:30 on Mondays and Wednesdays for the most part. Always check the schedule from our coach Mrs. Karla Ochoa.

Students to Sing Sunday at Christ

We hope to have all students singing on Sunday at Christ Lutheran. It's our one time each year where students from their home congregation can sing with all the other students. It's also an opportunity for us to invite parents to our March 1 Open House.
