Great Response to Open House

Thank you to all who helped to make our Kindergarten Open House a success. We welcomed five new families, and two new kindergarten students from St. John's. There is one more family planning to schedule a visit soon. If all of these would enroll, including our present Young Five's students, we could see a kindergarten class of nine or ten next year. Please keep in mind that these guests were all visiting and also checking out other kindergarten classes in the area. That said, what a blessing it would be to have a much larger kindergarten next year. Please keep our school in your prayers and continue to encourage other parents with children to take advantage of this special blessing.

Any more snow?
