Easter Egg Hunt Indoors This Year

This was the first year we had an indoor Easter egg hunt due to the snow. It might have been difficult finding those eggs outside!

Mother's Day Flowers Coming up Soon

The PTO will be having its annual Mother's Day flower sale. Their hope is to raise funds to help support an end of the year activity for the students.

They are selling a variety of hanging baskets and flats of flowers (36 in a flat) through Roy Kutchey's Greenhouse. Their fundraisers help raise money for school supplies and a wide variety of school events to help keep the cost down for you as a parent. Please consider purchasing some flowers through them to help brighten up your yards this spring! Ask grandparents and neighbors as well to make this a huge success!

We will attach a form with this newsletter to be returned by April 22. All flowers will be available for pick up on May 4th, just in time for Mother's Day!

You may also visit their site on Facebook for more information!
