Everyone enjoyed the school picnic

Thank you to the PTO, parents and grandparents who made this possible. The students had a great time!

Kindergarten class now at six

As of the end of June, six students are enrolling in kindergarten for next school year.

New drinking fountains installed

Thanks to Thrivent's members' gifts, new drinking fountains have been installed. We appreciate all the hard work of Paul Shonts and Roy Elie who spent several days installing them. The water is filtered so we can be assured that we are doing everything possible to provide safe water. The fountains are also ADA compliant, barrier free, dual-level coolers.
