Hemlock

Aug. 29

School begins for our 34th year!

Sept. 1

School Pictures  
Microwave Day 5-8

Sept. 2-5

No class (Labor Day  
Weekend)

### ❖ **Walk With God...Talk With God**

Our school theme for this year is, "Walk With God..Talk With God." Our Wednesday chapel services will follow that theme.

### ❖ **Students Support Medical Mission**

Last year our Wednesday morning chapel offerings of \$219.06 were directed to the WELS-AF Central Africa Medical Mission-Infant Care program. They have sent a letter of thanks to our students. Parents are encouraged to help their children remember the opportunity they have to serve others.

### ❖ **Still Time to Volunteer**

There are a few projects for which we could still use some help.

1. Weeding the playground area
2. Cleaning sports equipment area and checking equipment
3. Painting
4. Photo copying
5. Window cleaning

If you and/or your family can volunteer for an hour (or more) on any day or evening before school begins, please contact Mr. Peterson at 245.4364.

### ❖ **First Day of School**

Classes begin on August 29. Students should be in their classrooms by 8 a.m.
