Microwave Day K-4

### Walk With God...Talk With God

Our school theme for this year is, "Walk With God, Talk With God." Our Wednesday chapel services will follow that theme. Our chapel mission offerings this semester will be given to help our WELS Spanish Mission downtown Detroit.

### Students Support Africa Medical Mission

Last school year our students gave \$219.06 in their offerings for the Central Africa Medical Mission.

### Library Receives Hundreds of Books

Just a few weeks ago St. John's library received a donation of several hundred books from a bookstore that closed in Midland. The librarians have been working overtime to see which books can be put on our shelves. We especially thank our librarians for all their extra work, and the Ochoa family for finding, loading, and transporting all the books to St. John's.

### First Soccer Game Sept. 9

Our first game will be held at Richland Township Park in Hemlock.
