Fall Activities Keep Students on the Move

From Camp Timbers to City Hall St. John's students have been experiencing many activities. History on the Move from the Castle Museum was here on Monday to give students an opportunity to learn more about Saginaw's past.

Students Invited to Sing for Festival Service

St. John's students have been invited to join a children's choir to sing for a special Reformation service to be held at 4pm, Nov. 6 at St. Paul's Lutheran Church. The faculty and PTO decided to offer the opportunity for parents to bring their children on an individual basis. We will not be attending as a school choir. Students will sing:
LORD, KEEP US STEADFAST (CW 203)

- melody only, hymnal version, stanzas 1 and 3
A MIGHTY FORTRESS (CW 201)

melody only, hymnal version, stanza 1

For the service, the Children's Choir will be under the direction of Mr. Kevin Needham of St. Paul's Lutheran School.

Since it may be difficult for the children to memorize those hymns at this late date, cards will be available for the students to use, if necessary. We need to let the planning committee know how many children from St. John's will sing. If you are interested in having your child/children sing, please let Mr. Peterson know by Monday.

School Volunteers Doing Fall Painting

Could you spare an hour to do some painting at school? If you would like to volunteer an hour to help, please let Mr. Peterson know. He will show you what needs to be done. It can fit your own schedule.

Thank you PTO

At Monday's PTO meeting the PTO presented teachers with some teacher appreciation cards and gift bags containing newly designed St. John's shirts. From the faculty, "This was very kind! Thank you very much!"
