**Attendees:** Mr. Peterson, Miss Vieth, Mrs. Schmugge, Glenda Sienko, Dave Wohlford, Carrie Hozeska

**Opening Devotion:** A Time of Grace devotion read by Mr. Peterson: "Appearances."

## **Reports:**

### ➤ **Financial – NONE**

### ➤ **Mrs. Schmugge:**

- The class has finished their study unit on "Oceans" and will begin "Plants."
- There was a very good turnout for singing in church on 4/29/18.
- Book orders are due 05/11/18.

### ➤ **Miss Vieth**

- The last study unit, "Force, Motion, Simple Machines," has started.
- The first school play practice will be tomorrow. A list of needed props will be sent home with the students.

### ➤ **Mr. Peterson:**

- The upper grades are finishing up their Informative Sales Commercials. The 3<sup>rd</sup> & 4<sup>th</sup> grade informal speeches went well.
- Pastor Garbow is finishing up the Confirmation classes. This will reduce the amount of administrative time available for Mr. Peterson.
- Upper grades will be going to the MLS track for practice 5/3/18 at 2 pm.
- There was a tour of the school for a potential 2<sup>nd</sup> grader for next year.
- Two local ball teams have permits to use the fields for practice. This is to be on a trial basis. There is also consideration being given for possibly fencing off the playground.

### ➤ **Athletic Report:**

- Mid-MI Small Schools Track Meet: Williamston has not yet returned calls or emails regarding the arrangements for the meet and the amount of assistance needed. Mr. Peterson is awaiting their reply and will pass on information as it becomes available.

- BALL track meet: If parents can be there early to assist, that would be helpful. More help may be required at this meet since we are hosting. Mr. Peterson will gather more information and inform the parents as needed.

### **Old Business:**

- Discussion and review of the new t-Shirt design/online store took place. The store remains open online, but all purchases need to be picked up by the individuals themselves at Sport-Tees. There will be no further delivery to the school.
- The pancake breakfast went well and the invitations placed in the mailboxes were successful. Many positive comments were given by the attendees and a special thanks to Julie Garbow for the fruit tray will be given.
- Playground equipment: Glenda reported that the presentation to the School Board was well received and approval to raise funds was given.

### **New Business:**

- The end of the year activity is being planned. There are several options being looked into including The Sky Zone or inflatables here at the school.
- Next meeting is 5/21/18

The meeting was closed with The Lord's Prayer.

Respectively Submitted,

Carrie Hozeska, Secretary
