

# **St. John's School Supply List 2018-2019**

*In order for the school's textbooks to remain in good condition, St. John's requires that all hardcover school books be covered for the whole school year. Book Sox is a spandex book cover company that offers covers which stretch over and cover any size book needed. They can usually be purchased at various stores or online ([Amazon: Booksox](#)). This saves time and the hassle of covering them and also does not damage the book like tape, glue, and contact paper do when they are removed.*
