Dear Parents and Guardians-

Your child will have the opportunity to attend performances and participate in several field trips throughout the year. The school and the classroom teachers will notify you in advance about each event or activity.

To simplify this process, we request that you sign and return the permission form below to cover these events for the current school year. You may at any time ask for your child to be excluded from a specific event by contacting your classroom teacher directly.

I GIVE/DO NOT GIVE (circle one) my child(ren): (Please print student(s) name(s) below)

permission to participate in scheduled field trips and activities throughout the current school year. I understand that I have the right to revoke this permission at any time by contacting the school office.

While keeping our parents and families up-to-date and informed about school activities and events, we desire to utilize photographs and videos in publications from our various events and activities. (Please check one option below)

I hereby grant St. John's Lutheran School the right to use still picture or motion picture images of my child(ren) in the school newsletter, school publicity documents/posts, the St. John's website, the *Saginaw News*, the *Township Times*, or other news or television agencies.

I do not want my child's pictures or images included in any of the above mentioned publications.

I have reviewed the school handbook with my child. My child and family are fully aware of school expectations, student dress code, and disciplinary consequences and will abide by it accordingly to the Glory of God.
